Spring 2024

We are once again asking for your support of Shore Regional Little League. The success of our program is largely due to sponsors like you that provide financial assistance to our league. Your support allows for about 500 boys and girls to participate in our baseball and softball programs every year.

Shore Regional Little League is a Non-Profit organization and 100% of the funds received are invested in our league. The upcoming 2024 season will mark our 31st season of providing little league baseball and softball to the boys and girls of this community. Through the leadership of our all-volunteer Board of Directors, our mission is to teach the children of our community the fundamentals of the game and the importance of good sportsmanship and respect for fellow players, coaches, and the game of baseball/softball.

Registration fees alone do not cover all of our expenses. The cost of insurance, uniforms, equipment, and umpire fees continues to rise every year. Your donation will make a difference in a child's life and have a positive influence on our community! Please review the Shore Regional Little League sponsorship form and consider becoming a League Sponsor. We have several sponsorship options and sponsorships are tax deductible. If you have any questions or would like additional information about our league, please contact your Board Member Representative or send email to shoreregionalLL@gmail.com.

Thank you for helping the children of our community!
